4th October 2018

Dear Parents and Carers,

Year 6 Bright Bricks Lego Visit – DT Bridge Building

We are very excited to be having a visit from Bright Brocks Lego Company on Thursday 8th November within the school day.

Our topic next half term will be ‘Rivers – How do they journey from start to finish?’ Working alongside this is our DT project on bridge building. The task – to build a bridge which could span a river in flood.

The Bright Bricks Lego Company will be visiting for the whole day and working across both classes. The aim is to bring a practical challenge to the children which will complement their DT work. All children will be taking part and will be able to take on different roles. The day will aim to develop and enable communication, innovation and teamwork to produce a bridge capable of crossing a river with a lengthy span.

This visit will contribute greatly to the children’s DT understanding and appreciation of what can be created through the medium of Lego so it would be wonderful if every child could participate.

This fantastic totally hands on experience can only be provided if we receive a contribution towards the cost of hiring the Lego and the consultant who will deliver the session in school. Therefore to help with the cost of the visit we are asking for a contribution of £2.50 per child. Please pay on-line or send your contribution in a named envelope into school with your child by **Wednesday 31st October**. (Cheques made payable to Hampshire County Council). If your child is entitled to Free School Meals you will not be expected to pay for this event, however, we do still need the permission slip signed.

Thank you for your continued support.

Yours sincerely,

Mr Lucas and Mrs McLaughlin
