Headteacher: **Thomas May**

6th June 2019

Dear Parents and Carers,

As part of our curriculum, we will be studying a unit of work on Sex and Relationship Education (SRE) during our next half term's topic. Later in the half term, we will be looking at the Year 5 Sex Education Programme. These lessons are planned from the Channel 4 Living and Growing series which includes teachers' guidance and a DVD of specific programmes. Your child will have participated in these lessons during years 3 and 4. In Year 5 we will be covering 'Changes', discussing how our bodies change during puberty and different types of relationships that we have with different people.

As part of the preparation for this unit of work, we would like to offer you an opportunity to look at the materials that we will be using in our lessons. There will be a chance to watch samples of the programmes and have a look at any books or resources we will be using so that you are prepared for any questions that your child may come home with and to give you an idea of the topics of conversation that the lessons will involve. We will be holding this meeting on **Monday 24th June at 3.30pm in 5S**. You would be very welcome to come along and have the opportunity to talk to us about what these lessons will be about. This is a part of the curriculum and if you do not wish your child to take part, please write to Mr May by **Friday 28th June 2019**.

If you have any questions or queries about this or any other aspect of school life, please do not hesitate to contact us.

Yours Sincerely,

Miss Smy and Mrs Robson

Year 5 Team
