Mayhill Junior School Vision

At Mayhill Junior School, our vision is to create a safe learning environment where children make lasting memories, grow together, and develop a love for learning. We foster a sense of community, encouraging collaboration and support amongst our families, children and staff.

Our dedicated team nurture personal and academic growth, by igniting curiosity and a passion for discovery through our ambitious curriculum. Through this whole school holistic approach, underpinned by the Mayhill habits, we aim to empower our children to become lifelong learners who cherish their education and thrive as they grow.

Why Mayhill Junior School?

- Mayhill isn't just a school it's a community within the building, playgrounds, village and RAF base.
- Here at Mayhill, we believe that every child has the right to be nurtured, to grow, to flourish and to be themselves in a school where they feel safe and happy whilst learning, achieving and having fun.

So how do we achieve this?

Mayhill Habits

Underpinning our school curriculum, are six habits. Identified by parents, governors, staff and pupils as being key life skills for full participation in their family, community, peer group and future workplace.

The habits are embedded across the curriculum and especially in foundation subjects. Mayhill's Habits are:

INDEPENDENCE

CRITICAL
THINKING

COLLABORATION

RESILIENCE

COMMUNICATION

RESPECT
