## Frequently Asked Questions

### How do I pay with childcare vouchers?

Head over to [www.activeme360.com/](http://www.activeme360.com/) for instructions on how to pay with childcare vouchers.

### What should my child bring?

A snack for 15:20 if you wish. Sensible indoor and outdoor footwear, a rain jacket, sun hat and sunscreen if appropriate as well as a water bottle.

### What can my child expect?

Each session children will be able to choose which activity they would like to do. You book for the time slot, not the activity. This means children can decide which activity to do depending on how they are feeling.

In addition, children will be able to spend time away from the main activity in a quiet area if they wish.

During breakfast club children will be able to take part in relaxed crafts & games or a light physical activity to get them ready for the day ahead!

### Will you provide food?

We will provide a light snack at around 16:40 for children who are with us for wraparound and a healthy breakfast at breakfast club.

Children are welcome to bring their own snack to have at 15:20 if they wish.

### Will you provide drinks?

Yes. All ActivePlus Wraparound clubs will have access to drinking water to refill water bottles.

### Does my child need to get changed?

Every child will be given the choice of 2 activities for each session. If they are doing sports in the first session they will need to get changed as this is an active session.
