Dear Parents and Carers,

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 2nd February 2024**.

Everything the NSPCC does protects children today and prevents about tomorrow

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that's always there for children and young people whatever their problem or concern. On average, a child contacts Childline every **45 seconds**.

Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it. We are having a fun day with some maths activities and we will be taking part in *Dress up for Digits*. Pupils are asked to wear an item of clothing with a number on it (football shirt, cap, netball shirt or even a onesie!). Or get even more creative by dressing in a maths or numbers theme. To help raise money for the NSPCC, we are asking for donations, and we'd love everyone in the school to take part in this special event. TTRS will also be running a maths day competition called NSPCC Rocks. The children have from 7.30am-7:30pm to earn as many points as possible for their classes. As usual there will be a winner and Mrs Allen will announce this W/C 5th Feb. Please log in at home to participate in the NSPCC Rocks competition on Fri 2nd Feb and the children will also be logging in at school to add to their totals!

Safe fundraising

- The NSPCC have set up a Just Giving page www.justgiving.com/campaign/numberday2024 Please donate and share with friends so we can support the NSPCC.

It all adds up

We're really looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at Mayhill will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

Thank you

Mrs Robson and Mrs Allen
Maths Leaders, Mayhill Junior School
