

Fun Science Club

Hi All,

I'm thrilled to be able to offer the Fun Science after school club at Mayhill School for this half term. This block will be 5 weeks and cost £35. Sessions run on Wednesdays directly after school until 4.20pm.

The sessions will include the following topics: Potions, Moons and Planets, Luminescence, Pneumatics and Hydraulics, and Rockets. Almost every session includes making something that your child takes home with them.

Please follow the link to book.
