19<sup>th</sup> September 2024

Dear Parents and Carers,

At Mayhill, we are committed to helping our children learn their times tables in a fun and engaging way. With this in mind, for a number of years now, we have successfully invested in an online platform called **Times Tables Rockstars**. The platform can either be accessed on a web browser [www.ttrockstars.com](http://www.ttrockstars.com) or can be downloaded as an app: look for this symbol.

Each child will be given a username and password and they will then be able to log in and play. The username for your child will be sent home and will also stuck into their reading record. Your child will have logged in to TTRS before you receive this letter and therefore will have been shown how to use the platform by their teachers.

By the end of year 4, it is an expectation that all children are able to answer any multiplication fact up to 12×12 in less than 3 seconds and this game allows our year 3 children plenty of practise in this field alongside a personalised avatar that the children can invest their hard earned 'coins' (earnt in the games!) back into.

Throughout the year, we will be holding competitions and during these events classes will be competing against each other to try and score the most points. More information will follow about this.

The log in information below should explain how to get started. If you have a specific question, please ask your child's teacher in the first instance or ask to see Mrs Allen if you have a further query. The children will have some time within school hours to play on this game, however it is mainly a resource for the children to use at home to improve their times tables knowledge. On the next page is a logging in guide for you to use should you need it, but the HELP button on the app and website browser is also very helpful in directing new players.

TTRS forms part of our weekly homework and we ask that your child plays online 3 x a week to really secure their times table knowledge. It really is incredibly easy to use and great fun!

Thanks, and happy playing!

Mrs Allen

Maths Leader

The app is called 'Times Tables Rock Stars' and is available to download for free on Apple and Android Devices, please then use the school address and your child's log in details.

### Logging in to Times Tables Rock Stars

1

Type **play.ttrockstars.com** into your browser's address bar.

2

Click Login! > School > Student

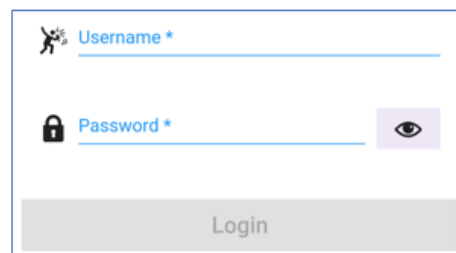

3

Enter the School Name.

4

Enter your child's username and password.

Contact your child's teacher if...

- You have username or password issues
- Something isn't working or you're not sure how it works
- You have a complaint or a suggestion
- You have something nice to say about ttrockstars.com!
